

Product Information

AGOLIN NATURU

Description:	AGOLIN NATURU is a blend of flavouring compounds for animal nutrition, designed for dairy cows and beef cattle. Appearance: greyish Structure: non-dusty powder Odour: coriander like
Active ingredients:	AGOLIN NATURU is a carefully balanced combination of essential oil compounds in their natural form, GMO free. All active substances are of high purity and are accepted for use under current European animal feed and human food legislation and comply with the current regulation on organic production (EC 834/2007 and EC 889/2008).
Carrier materials:	All carrier compounds of AGOLIN NATURU are natural and comply with the current regulation on organic production (EC 834/2007 and EC 889/2008).
Mode of action: Utilisation:	AGOLIN NATURU helps to optimise feed intake. For feed production only.
Recommended dosage:	Dairy cows 0.8 – 1.2 g / head / day Beef cattle 150 – 200 mg / 100 kg live weight / day Sheep and goats 100 mg / head / day
Storage:	Store in a dry place and at less than 25°C. Once opened, contents should be used within a short period of time. Carefully seal the package after each withdrawal. Avoid storage of AGOLIN NATURU in plastic or plexiglass containers.
Expiry date:	18 months after production.
Palatability:	At the recommended dosage AGOLIN NATURU is readily accepted.
Compatibility:	AGOLIN NATURU carries no known incompatibilities with other commonly used feed additives such as yeasts, probiotics, etc.
Tolerance:	At three times the recommended level, feed intake might be reduced.
Safety for non-target animals:	AGOLIN NATURU presents no known risk to non-target animals
Packaging:	AGOLIN NATURU is available in 25 kg cardboard boxes with a polyethylene inner bag.
Quality control:	AGOLIN NATURU is subject to a strict quality control procedure before release for distribution.

Product Information

Health and safety data sheets:

Available upon request.

Legislation:

For EU countries, AGOLIN NATURU is classified as a premixture of flavouring compounds in line with EU legislation including Regulation (EC) 1831/2003 on additives for use in animal nutrition and Directive 2002/32/EC on undesirable substances in animal feed.

For the United States, all flavour ingredients contained in AGOLIN NATURU are FDA approved.

Furthermore, all flavouring compounds used in the AGOLIN products are approved for food and appear on the FEMA/GRAS lists.
